Council/PH Committee ExecutiveMatters  
Agenda Item Bill 13 (220, CD1  
Your position on the matter Support  
Representing Self  
Organization  
Do you wish to speak at the hearing? No

Written  
Testimony

The conditions on Kaumualii Street are out of control and businesses are adversely affected. The elderly, handicapped, and all other pedestrians are being forced to travel on the roadway against traffic in order to pass through this blighted area. I hope that the City Council can defend the rights of those who are working hard to improve the area.
